Greetings!

We are so glad that you have decided to apply for one of the Worship Arts Scholarships for 2020! We wish you the best of luck. Attached is the application for the music scholarship, sponsored by the Worship Arts Committee. Please be sure to read the application carefully and fill it out completely, incomplete applications will not be considered for the scholarship.

The scholarship will cover 50% of the cost of your music lessons for one year (up to \$750.00). The first half of the scholarship will be awarded in June, and the second half will be awarded at the six month mark in December. If, for any reason, you do not use all of the funds awarded to you, we ask that you would please return the unused portion to the scholarship fund so that they may go to another student.

This will be a one year commitment to lessons as well as participating in worship arts at Eden. If you are a beginning student you will be asked to participate in worship in another capacity (ProPresenter, scripture reading, band set up, etc.) until you are able to participate with your instrument. You will also be assigned a mentor for your year commitment, if available, a musician currently participating in worship on that instrument, or a committee member.

The Worship Arts Committee will touch base with your mentor and teacher on a quarterly basis to verify attendance at lessons and to ensure progress. At the end of the full 12 months you will be asked to meet with members of the committee and your mentor in an informal meeting to discuss your year of lessons, and possibly demonstrate what you've learned.

Please note that **APPLICATIONS ARE DUE MAY 31, 2020.**

Students will be notified by June 7, 2020.

Thank you so much for your interest! We are thrilled to begin this program! Please feel free to contact any Worship Arts Committee Member with any questions or concerns. You can get the phone number for any committee member by calling the church office at (618) 656-4330.

Blessings,

The Worship Arts Committee
